

Bike-Pedestrian Routes Chittenden County

NOTE:
Spear Street in South Burlington is existing on one side of road.
Shared use paths are facilities on exclusive rights-of-way separated from motor vehicles.
The purpose of the network is to provide high quality connections between existing & identified growth areas.
Many of these connections currently exist; others will need improvement or new facilities.
Sidewalks not shown.

Disclaimer:
Alignment of facilities, especially shared use paths, are approximate and may change based on subsequent municipal level decisions.
