

BURLINGTON PEDESTRIAN SUMMIT

Announcing the 1st Burlington Pedestrian Summit

Organized by the City's Neighborhood Planning Assemblies
with support from CEDO & the Dept. of Public Works

Saturday, May 13, 2006 - 9am to 2pm
Burlington City Hall - Contois Auditorium & Lobby

Our goals:

- to examine ways of making Burlington a more walkable community
- to learn what Burlington area organizations and businesses are doing to promote walking
- to discuss ways of improving the pedestrian environment
- to decide on next steps to develop a pedestrian network
- to relax and meet fellow walkers!

Contois Auditorium will be *the place to be* on May 13th.

► Resource tables (and people) will provide information on a wide range of pedestrian-oriented activities and programs of interest to Burlington residents.

► We'll split into groups to take a short morning walk to evaluate and discuss ways of improving some nearby intersections.

► Keynote speaker Wendy Landman, Director of the dynamic WalkBoston organization will share tips on what citizens can do to promote a safer and more comfortable environment for walkers.

► And before we adjourn, Kamikaze Comedy, Burlington's premier improv group will give their take on pedestrian issues.

For more on how your organization or business can participate, please see the attached page.
