

Pedestrian Bicycle Committee Meeting  
October 23, 2007 8:00 AM  
CCMPO

AGENDA

1. Welcome and Introductions
2. Ped/Bike Committee Operating Procedures  
The committee purpose, membership, responsibilities, etc., are described in this document. See attached.
3. Ped/Bike Plan Update  
The CCMPO has hired Wilbur Smith Associates to complete the update of the regional Ped/Bike Plan. Attached is the proposed scope of work for the update. Advising this work will be a primary role of this committee.
4. 2010 Campaign for Active Transportation Resolution  
The CCMPO Board approved the attached resolution at their last meeting. Staff will provide further background information on this effort.
5. Pedestrian and Bicycle Data  
Quantitative data on cyclists and walkers can be difficult to come by and the lack of this data can make it difficult to make the case for investments in these modes. Staff is looking for ideas on data collection and needs.
6. Set Next Committee meeting time and date
